AFFIDAVIT

I, **RONDELL BLATCHE'**, am a Narcotic Investigator with the Waco Police Department, Drug Enforcement Unit, Waco, Texas.

I have been a Narcotics Investigator with the Waco Police Department since January, 2013, and began my law enforcement career in 2005. During this time period I have been involved in numerous investigations of individuals who derive substantial income from the illegal importation, manufacture, distribution, and sale of illegal controlled substances. In addition, I have had experience in the execution of narcotic search warrants, debriefing defendants, participant witnesses, informants, and other persons who have personal knowledge of amassing, spending, converting, transporting, distributing, laundering, and concealing of proceeds of narcotic trafficking.

On April 24, 2013, Waco Police Department executed two search warrants on a residence located within the city of Waco, McLennan County, which is located within the Waco Division of the Western District of Texas. The residence was actually a four-plex, with apartments B and D as the target residences of the search warrants. Both were under the control of **DONALD SCOTT, JR.** During the execution of the search warrants, in Apt. B, which is the downstairs apartment, officers located **SCOTT'S** father, two sets of scales and a firearm under the couch that the elder SCOTT was sitting on.

During a search of the upstairs apartment, Apt. D, officers located **SCOTT, JR.** and a white female. They also found approximately 20 grams of cocaine base, also known as "crack" cocaine, heroin, marijuana and assorted prescription pills. They also located a key for Apt. B on his person as he attempted to run out of his apartment.

In the training and experience of Affiant, the "crack" cocaine possessed was an amount for distribution and not for personal use.
